Requirements for Temporary Heat

The following documents must be submitted with applications for temporary heat. Incomplete packages will not be reviewed.

1. Plot plan of property with proposed location of equipment
2. \$50.00 check made payable to the City of Cambridge
3. Spec sheet of proposed equipment . Documentation must specify equipment is designed for the intended use.
4. Certificate of Compliance for all equipment proposed (ie. ANSI or UL listing)
5. Narrative on company letterhead detailing proposed work.
Narrative to include the following:
 - Specifics of work to be completed.
 - Square footage of area to be heated
 - Volume of proposed fuel
 - Steps to address Fire Alarm and Sprinkler systems
 - Locations of equipment and fuel (In addition to plot plan)
 - Employees on site
 - Contact phone number for on site supervisor

A Paid Fire Detail may be required. This will be determined during the review process.

The Cambridge Fire Prevention Office may ask for additional information or documentation during review process. Applications will be reviewed within 10 business days.
